## CALL FOR APPLICATIONS (2019-2020)

### PhD STUDIES in ENVIRONMENTAL ENGINEERING

The call for applications for the PhD study program in Environmental Engineering (starting academic year 2019-2020) is now open. Applicants are requested to submit the following information:

1. Personal information and suggested specialization area/theme.
2. Names of the supervisor and the members of the tribunal advisory committee, number of courses to follow and suggested language.
3. Copies of acquired degrees/diplomas
4. Certificate of accreditation by Hellenic NARIC (for degrees from foreign institutions)
5. Official transcripts.
6. Copies of English Language Certificates (and of any other foreign language, where applicable)
7. Extended Curriculum Vitae.
8. List of awards, fellowships and publications.
9. Copies of scientific publications, if any.
10. Personal statement, describing your academic interest in and understanding of your chosen program, as well as your purpose and objectives in undertaking this graduate study.
11. Two letters of recommendation

The applications can be submitted via the [on line application system](https://e-graduate.tuc.gr) (<https://e-graduate.tuc.gr>). When using the online system, a digital photo of the applicant is also required.

The deadline for submitting the documents is **June, 28<sup>th</sup> 2019**.

For more information, visit: [www.enveng.tuc.gr](http://www.enveng.tuc.gr) or call +3028210-37781.

The Dean of the School of Environmental Engineering

Professor M. Lazaridis
